15W Desktop & Wall Mount Switchers with Class II Medical Safety Approvals

Advanced Power Solutions (APS) announces the release of their GS2 Series of 15 Watt Desktop and Wall Mount Switching Power Supplies with Medical Safety Approvals in tiny plastic enclosures for portable healthcare applications.

The GS2 series is a 15 Watt single output switching power supply offering any output voltage ranging from 5-24V in small external packages including a Desktop with IEC-30 C8 inlet measuring only 3.78 x 1.72 x 1.18" and Wall Mount Packages measuring only 3.15 x 2.1 x 1.57" with US / UK / Euro / Australian Plugs. All models feature Universal AC Input; low leakage of only 100uA @ 240 VAC; Class B Emissions; and International Safety Approvals for Medical / Healthcare applications. Supplies can be delivered with your choice of DC output cable length and DC Output Connector with a voltage set point anywhere from 5-24 VDC.

Evaluation quantities are on-hand with production deliveries of less than 8 weeks. Specifications are available for download from <http://www.advpower.com>. Pricing is as low as \$9.50 in OEM quantities. Contact APS at 925-734-3060 or sales@advpower.com for sales & technical support.
